A Message from the Interstate Oil and Gas Compact Commission to conference attendees:

Please review the following COVID information, which has been updated upon advice of the State of New Mexico:

The health and wellness of our attendees is a top priority. IOGCC will adhere to all state and local regulations and [the CDC's guidelines for masks and social distancing](#).

Masks are required in public spaces in the hotel except when eating or drinking. The State of New Mexico has advised us that all meeting rooms and facilities IOGCC will be using at the Inn at Loretto are considered public spaces. The requirement

to wear a mask will be posted at the entrance to the meeting rooms.

Please remember to bring your own masks. A limited supply of disposable masks will be available at the registration desk. Individually wrapped alcohol wipes will be available in the meeting rooms.

IOGCC will continue to monitor the situation and will update attendees on any changes in safety procedures by email, on our website, and in our meeting app.
